"Sunday was not only the high point of the Festival for me, I would have to say it was one of the high points of my entire massage career. I took a class in Thai on the Table from Mukti Michael Buck. It was the best hands-on class I have ever attended, and I have attended hundreds of hours of continuing education. Mukti is undoubtedly the most charismatic teacher on the planet. The bodywork was sensational. The whole class was in such a state of gratitude at the end of it, we were one big melting pot of thankfulness and grace. I would recommend it to anyone."
